Hi Cathleen,

Thanks, for the invite, but I can't make it. We will look at the QA Manual and offer our comments if any thing sticks out at us.

Thanks,

Hi Jim-I am sure you have heard but if not, tomorrow is Ken's last day at the lab after 38 years! No big party planned (his choice) but we are having a little coffee social in the am around 9:15/9:30-short notice but thought I'd mention it. Hope all else is well.

I am also (coincidentally) attaching the draft version 2.0 of the QA manual if you or anyone has any suggestion/comments/etc-we found some things we hadn't addressed so hope to put it out within the next week or two-happy reading.

Cathleen
